DO YOU HAVE A RELIGION?

Is it holding you back from where you SAY you want to go, without you even realizing it?

DO YOU HA[illegible] RELIGION?

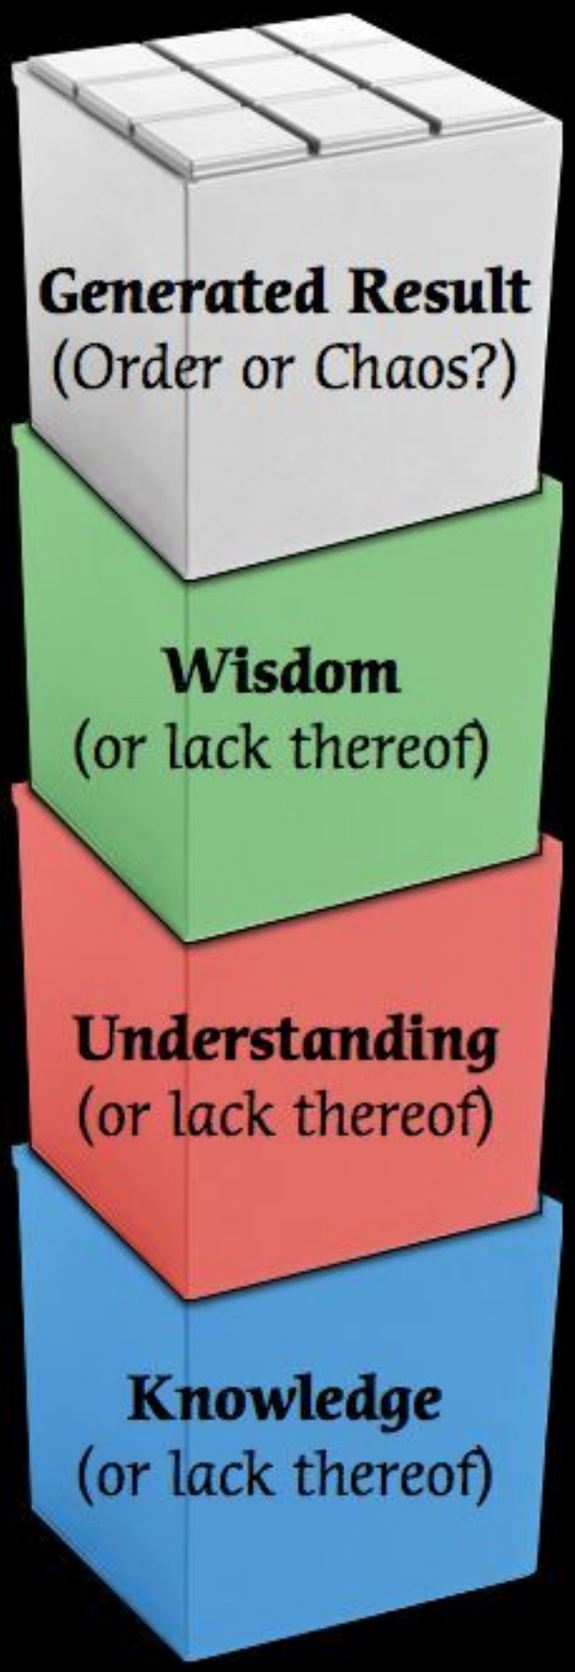
Until THIS changes...

...THIS can NOT change.

HOW OUR REALITY IS BUILT



Manifested Reality

The quality of the condition which manifests in any society is based upon the aggregate quality of human behavior within that society.

Human Behavior

Each individual's behavior is based upon the quality of their decision-making processes which, in turn, are based upon the quality of their available information.

Decision-Making Processes

These processes take place in the human Mind and are chosen by each individual based upon available information.

Available Information

This constitutes potential Knowledge that may be gathered, processed, understood and acted upon by individuals.

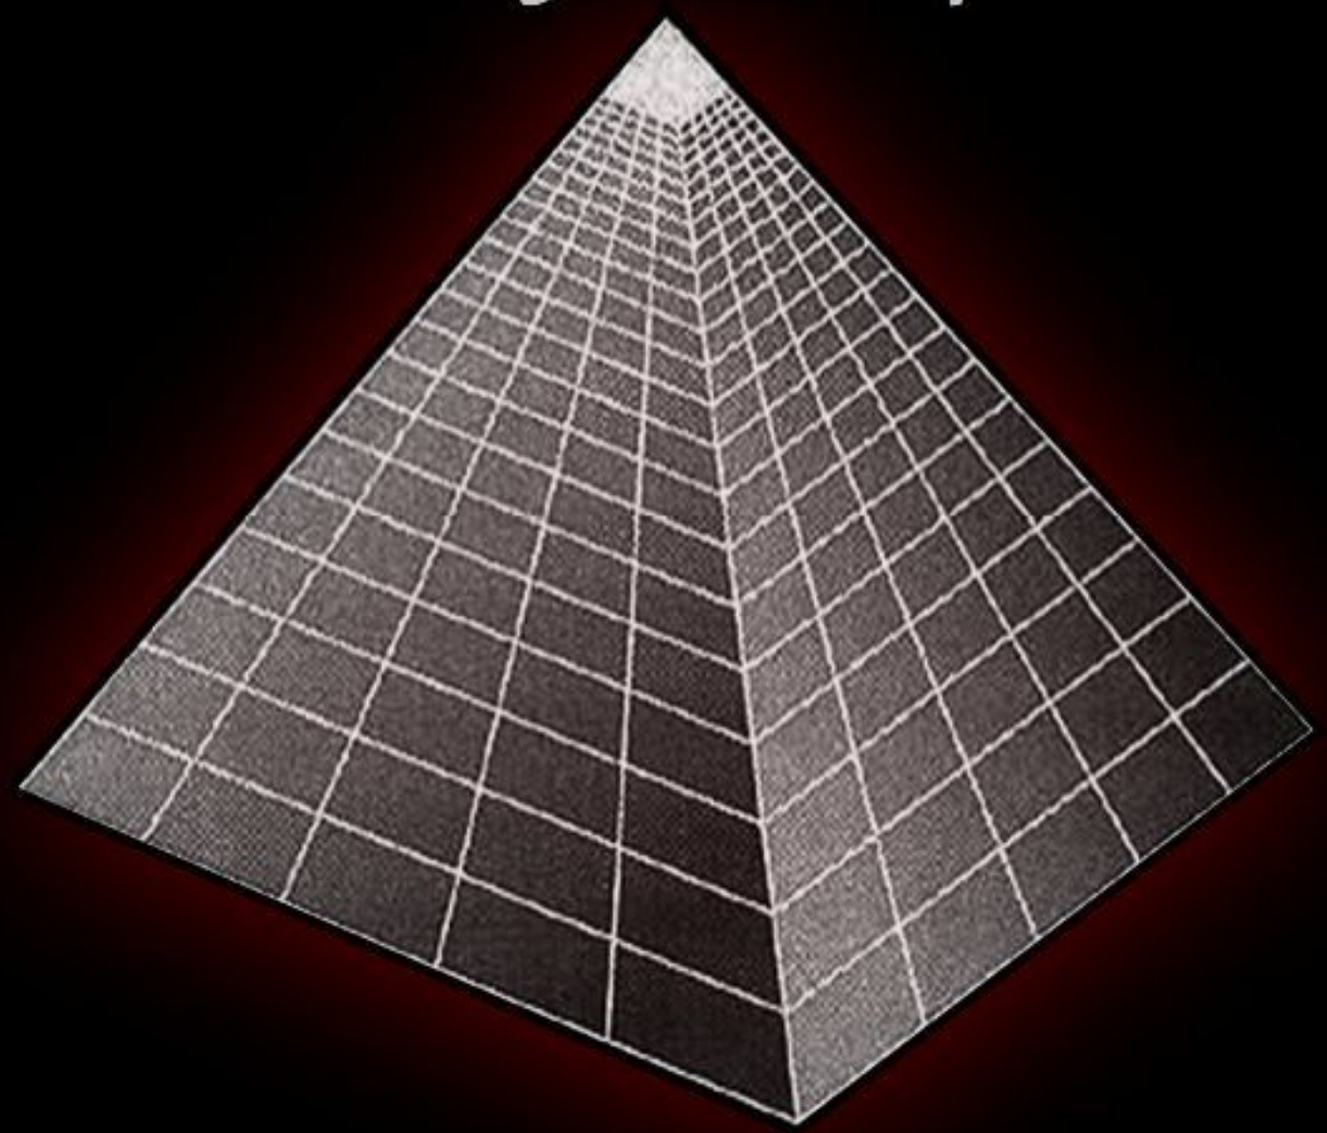
WHAT *IS* THE OCCULT?

The word ***occult*** is derived from the Latin adjective ***occultus***: *"hidden,"* which comes from the Latin verb ***occultare***: *"to hide; to conceal; to keep secret."*



HIDDEN KNOWLEDGE

WHAT KNOWLEDGE DOES OCCULTISM HIDE?

Occultism comprises and "hides" two main bodies of Knowledge:

"Minor/Lesser" Arcana
Microcosmic/Inner World

Knowledge of the Self; the Human Psyche and how it operates

"Major/Greater" Arcana
Macrocosmic/"Outer" World

Knowledge of Natural Law (Universal Moral Law) & the Physical Sciences

WHY IS IT OCCULTED?

Such knowledge has been deliberately hidden in order to create and maintain a power differential between those who hold it and those who are ignorant of it.

GOT NATURAL LAW?

What *IS* Natural Law?

Natural Law is the body of universal, non-man-made, binding and immutable Laws which act as the governing dynamics for the consequences of human behavior.

GOT NATURAL LAW?

What does it mean to *understand* Natural Law?

Understanding Natural Law means truly having **Conscience**, which is the definitive knowledge of the objective difference between morally right behavior and morally wrong behavior.

GOT NATURAL LAW?

What does it mean to *act in accordance* with Natural Law?

Acting in accordance with Natural Law means **exercising Conscience**, or willfully choosing morally right behavior over morally wrong behavior, once the difference is clearly understood.

GOT NATURAL LAW?

What is the result we get when we live in accordance with Natural Law?

When human beings live in accordance with Natural Law (and are therefore Moral Beings), they become and remain **Free** and their society exists in a state of **Order**.

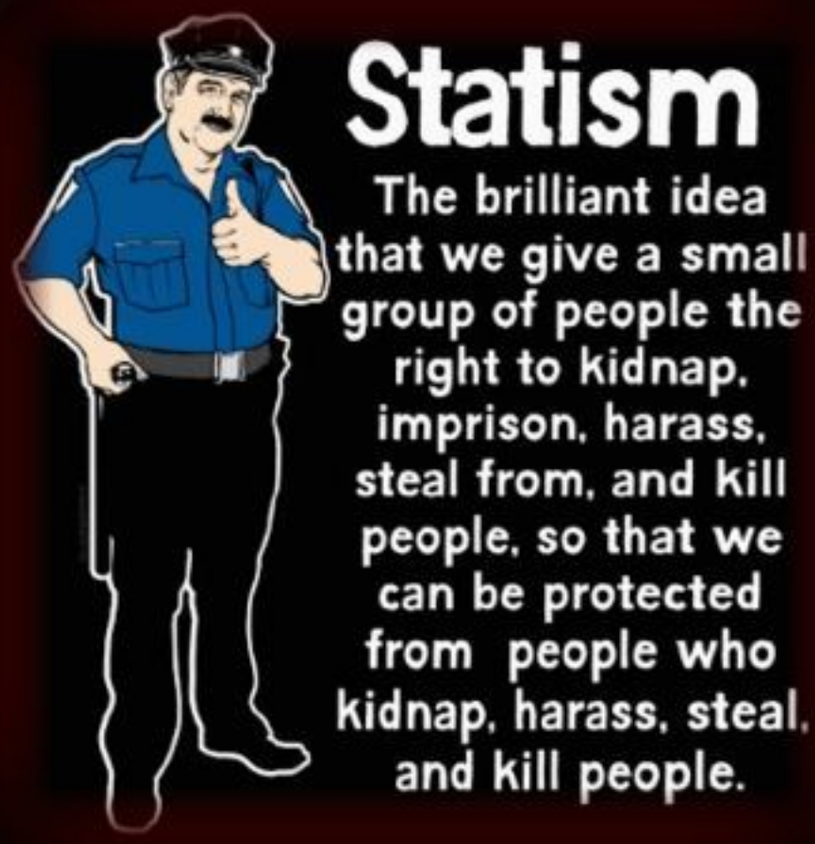
GOT NATURAL LAW?

What is the result we get when we live in opposition to Natural Law?

When human beings live in opposition to Natural Law (and are therefore Immoral Beings), they become and remain **Enslaved** and their society exists in a state of **Chaos**.

ONE *TRUE* DIVIDE

STATIST



Statism
The brilliant idea that we give a small group of people the right to kidnap, imprison, harass, steal from, and kill people, so that we can be protected from people who kidnap, harass, steal, and kill people.

Supports Slavery

vs.

ANARCHIST

Opposes Slavery

There is only **One <u>True</u> Divide** that separates humanity into two distinct types of individuals. The criterion for this divide is whether or not an individual believes in "**Authority**," and therefore believes that there is legitimacy to **Slavery**.

OLD WORLD "ORDER"

"Authority" Vested In One

This system is based entirely in **VIOLENCE** *and built upon the erroneous and dogmatic* **belief (RELIGION)** *that one person is the* **Master** *who possesses the moral right to issue commands, while all others are* **subjects** *who have the moral obligation to obey the commands of the master.*

“NEW” WORLD “ORDER”

“Authority” Vested In Few

This system is based entirely in <u>VIOLENCE</u> and built upon the erroneous and dogmatic belief (<u>RELIGION</u>) that a certain group of people are Masters who possess the moral right to issue commands, while all others are subjects who have the moral obligation to obey the commands of the masters.

WHY

are most people so unconscious that they continue to:

- refuse to live in harmony with Natural Law?
- fail to recognize the rampant presence of evil in their midst?
- willfully participate in such evil, either directly or indirectly?

WHY

are most people so unconscious that they continue to:

- *refuse to live in harmony with Natural Law?*
- *fail to recognize the rampant presence of evil in their midst?*
- *willfully participate in such evil, either directly or indirectly?*

Does Mind Control explain it *all*?

Or is there *more* to it than that?

The TREE of ALL EVIL

THIS is the Psychological Condition of Humanity.

Conscious Mind

Awake/Aware; 15%

The main function of the Conscious Mind is to process information arriving from the environment through sensory input, in order to identify patterns and meaning.
